Covai Obstetrics & Gynaecology Society

Obstetrics and Gynaecology is a highly evolved speciality in the field of medicine. Nevertheless the quest for identifying arenas for improvement, innovating new techniques, improving the existing protocols and imparting renewed knowledge to the society is an exciting pursuit.

COGSIANS concur that Change is Inevitable.

In accordance, We COGSIANS are conducting our Annual Conference COGSICON 2024 at **Jenney's Residency, Coimbatore** on **9th** and **10th** of November 2024 with the Theme "Changing Trends in Obstetrics and Gynaecology". We have hand picked Contemporary Topics of Interest with a futuristic view which would be delivered by renowned seasoned faculty.

It is our pleasure to welcome the ever enthusiastic Obstetric and Gynaecology fraternity to enjoy the academic extravaganza.

While being extremely committed to our profession we also need to rewind and relax. We have curated a wonderful Cultural programme too. So lets steer clear from our busy schedule and rejuvenate ourself.
